CHANGES TO THE WAY YOU MANAGE YOUR STUDENT'S MEAL ACCOUNT

Effective June 4, 2011 **Frisco ISD**

will be using **MealpayPlus®**
Online Payment System
Powered by Horizon Software International, LLC

Parents will need to set up an account with MealpayPlus!

To set up your MealpayPlus account:

→ Go to www.mealpayplus.com.
→ Follow the on-screen instructions.
→ Add your student, using their Student ID number. If you don't have this number, contact the District Nutrition office at 469-633-6980 or contact your child's campus.

Account Balance Questions

The balance reflected with PayPams at the end of this school year will be reflected when you set up the account at mealpayplus.com. PayPams and Horizon are merely administrators of the online payment processing; funds are held by the district and will not be affected by the change of administrators.

Benefits to using MealpayPlus:

→ View your student's account balance 24/7.
→ Receive low balance notifications via email.
→ Set up auto payments to account.
→ Monitor student purchases.
→ Place restrictions on how money is spent with "meal" and "general" account options.
